DECLARATION UNDER 37 CFR 1.821(f)

Assistant Commissioner for Patents
 Washington D C 20231

Sir/Madam:

I, Viviana Amzel, hereby state that the content of the paper and computer readable copies of the sequence listing submitted herewith, in accordance with 37 CFR 1.821(c) and (e), respectively, include no new matter and are, to the best of applicants' knowledge, the same as the sequences submitted with the application as filed. Thus, applicants have fully met the requirements of 37 CFR 1.821 through 1.825 for patent applications containing nucleotide sequence and/or amino acid sequence disclosures.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like, so made, are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted.
